

Dolores Reid

SEPTEMBER 20, 2018

On Thursday, September 20, 2018 Dolores passed away peacefully in her home with her faithful dog, Bailey at her side. Dolores is now reunited with the love of her life, Gordie.

Dolores was fun loving, strong willed and a very determined lady. She had faced and fought through many diversities. She had the gift of gab and could strike up a conversation with

almost anyone. Dolores had a flare for fashion and the family often teased her about her favourite go - to store, the shopping channel. Both she and Gordon were members of the Regina Horticulture Society and shared a passion for gardening. Their yard in Pense hosted many garden teas and took top honours for its beauty. The family would like to thank Seniors House Calls, Home Care and most importantly, her wonderful neighbours, all of whom provided Dolores with friendship, kindness and support allowing her to remain in her home. As per Dolores' request there will be no formal service. In memory of Dolores, donations may be made to the Canadian Cancer Society or the Regina Humane Society.

Messages of Condolence

To Delores' Dear Family: May I extend my heartfelt condolences to you in this time of sadness at the loss of your loved one. I attended Keenagers Aquacises at the Sandra Schmirler Rec Centre and met Delores there. She was always such a happy and caring lady - friendly and positive. I felt privileged to know her. Once again my sincere sympathies for your loss. With warm regards, Carolyn Costack
