

Robert James Rennie

MARCH 11, 2021

Robert James Rennie (Dark Knight)

IX.XXIV.MCMLXXXVII - III.XI.MMXXI

Well known to people as Batman was found unresponsive on March 9th 2021 and was rushed to the Royal Columbian Hospital, within a couple days after being there he passed away on March 11th 2021.

He leaves behind his daughters Taya and Khloie Mcmuldroch, (son)Brant Nasby, (sister)Bunty, (brother)Duncan, (mother)Kimena, his fiancée Morgan and his close friends who he considered family.

Rob was a unique and talented one-of-a-kind individual who was outgoing, radiated confidence and showed no fear. He was fashionable, enjoyed rapping, tanning, dancing, inventing/modifying things and writing. He protected those he loved/cared for as he displayed strong qualities of a warrior/leader who helped save people's lives, people looked to him for guidance and advice as he continuously made them feel safe and not alone. He had one of the most

hypnotizing smiles and eyes that you could get lost in, always making people laugh even on the gloomiest of days. He didn't have the easiest life growing up and like most people had made mistakes in his life but in the end was learning to be his better more authentic self to recorrect those mistakes by helping others and showing genuine kindness.

May you Rest in Paradise ♥ you will be greatly missed by the real ones, never forgotten, cherished in our hearts forever and always loved until we see you again on the other side where freedom awaits.
