A lovely photo of a beautiful caring lady - we've never forgotten how kind Mary was to our children when they were small. Know that we're thinking of you in your loss Ron, sixty-three years is a wonderful example of how much you meant to each other.

Will be missing you Mary very much. Have known you for some 44 years and over those years have had many a good meals, good conversations, and you have always showed much concern towards my family and our pets. I will always miss the many days and evenings spent in your home. I will always miss you saying to me when having dinners, Robert, have some more, another chop, more potatoes, finish off the vegetables in the bowl etc etc.....Mary was always a fantastic cook, hard to say no to her cooking. you will be missed for sure, love Robert

today is January 29 2023 it has been 3 years since you're taken from me the hurt has left me as yet and doubt that it will ever leave. but I must persevere and not show my grief as you showed your strength while you fought to stay. I know that my time is getting closer and I hope that I can face death with the same courage as you. I did know how much I loved you oh god miss you.

good bye my love I will always love you until my end
