Messages of Condolence

This is my dear Aunty Freda, also my godmother and second Mom. I know she is at peace with the lord and walking with the angels now. She so deserves this much needed rest. Her work here on this earth is done. She will be forever remembered and forever loved. She was a unique, loving, genuine lady who always had a heart and soul of pure gold. My sorrow and condolences go out to her immediate family, her daughters Sharon & Shiela, her son Kevin, her sister Jean Lund, Charlene McNabb & family, and many grandchildren, great grandchildren, nieces and nephews. Her husband Bill and his family and many friends she had made through life. With all of my love and respect, Shelley & family

Sorry to hear of the passing of your mom, she was a dear person to me and my family over the years.

My fondest memories gather round the late 1960 when the Big Country Riding and Roping Club was going strong in Oyen and anyone with a horse was involved in the gymkhana events and the pony chucks and chariots. So much fun.
