

Randall Scott Robbins

MARCH 12, 2014

It is with great sadness that we announce the passing of our dear Randy. Randy was quite a character, our character and we loved him very much. We will miss his quick wit and sense of humour. Left to mourn Randy is his son Jared, daughter Jade as well as numerous family and many friends. A special thank you to his friends Mark and Murray, also the staff at the Regina Wascana Grace Hospice. A Celebration of Randy's Life will be held on Saturday, March 22, 2014 at 3:00 p.m. in the Austrian Club, 320 Maxwell Cres., Regina, SK. A private interment will be held at a later date. Flowers most gratefully declined. Friends so wishing may make donations, in Randy's memory, to the Regina Wascana Grace Hospice, 50 Angus Road, Regina, SK S4R 8P6.

Warm heart and thoughts to all family and friends. Lots of snow machining for me these days and the first time I was on one was with you Randy at the farm. I'll always smile of the many summer days of kick the can on with all the gang on Garner...we'll always keep motoring on amigo...

“May the road rise up to meet you
May the wind be always at your back
May the sun shine warm upon your face
And the rain fall soft upon your fields
And until we meet again
May God hold you in the palm of his hand”

Prayers go out to Jared and Jade family and friends.

Wow, it Was a shock to hear of Randy's passing. Unfortunately we didn't stay in touch much since we were teenagers. I will still miss him though, he was a good friend for many years, it was always like old home coming when every we happen to run into each other What I remember most of him was that he was always friendly and caring about others. Always welcomed anyone, old friend or new into his home and life, and never made you feel like an outsider. My thoughts and Prayer's go out to Jared, Jade, and the entire family! I will be thinking of you all, through this very difficult time.

— **Darcy Paul**

We'll miss you forever. I wonder when the tears will dry.

Love you Randy. Your sister Carol and brother-in-law

Randy,

My cousin who is my uncle that treated me like a brother. Always a quick smile and laugh that made our problems go away. You never took charity which I could not quite understand. Whenever others were in need you never hesitated to help. You showed sincerity and always looked us in the eye when we had something to say.

Your love for your daughter Jade and son Jared have always been present. You did the best you could to provide for them and be a father.

You are big part of my life and always will. You were always there for us when in need. The last time we were together you looked up, searching for my eyes so we could say "see ya later". Our eyes met. I said "see later Randy". you said "see you later Mike"

— **Michael Hogan**

To Shelann, Jared & Jade, we extend to you our heart felt sympathy in the loss of Randy. The love that you hold in your hearts for Randy can never be taken away & will stay with you forever.

A sad day indeed. Sincere condolences to all his family and friends, and especially to his kids. A special thank you and huge shout out to Mark and Murray as well as Ang and others who were - and still are - there for him during his time of need. I wish I could be present today to share in celebrating how special and unique of a man Randy was I reconnected and visited with Randy this past summer, just after he had learnt of his illness. His outlook, good natured spirit and integrity at such a difficult time was nothing short of amazing. As I reflect back, it's obvious to me that Randy has always upheld those traits and done so in a manner that has made us all feel comfortable, welcomed and cared for. He's a special man and my hope is that he's now comfortable and well cared for.

— **Terry**

Many beautiful comments and yes, he was a great character. While we talked on the phone during his illness, he was so upbeat and could make me giggle. I love you, Randy. God will be celebrating your birthday with you May first.

— **Elaine Warren**

Randy we will be thinking of you today knowing that you are free. We will miss you always. Regina will always now be void of a lifelong friend. Thank you for all the laughs and fun as both a friend and our bud from down the street. Our thoughts are with your family in this difficult time. Thank you too all who ensured Randy was cared for and embraced in constant warmth and support. We will always love you. Rest in peace my friend.

— **Scott & Karla**

Very sad to hear that Randy passed away...I have thought about him over the years and smiled at the good times we shared in our youth. It has been many years since I have seen Randy and I'm very shocked he passed. RIP my friend... My condolences to all his family.

Dad,

Thinking of you lots lately. We had our fair share of ups and downs, but at the end of the day, you're still my dad and I love you. I don't regret a lot of things but I absolutely regret letting anger get in the way of the little remaining time we had and by association opening the door for Mark to take advantage of you.

You'd be really proud of the young woman Jade is becoming. I know it's incredibly hard for her without you. I've done my best to fill that void but it's never exactly the same and nor should it be.

Wherever you are, I can at least take some comfort in knowing that you aren't suffering. Watching the last weeks was awful and I'm hoping you were able to hear me when I spoke to you even though you couldn't respond.

Love you and miss you.

— **Jared**
