It was with much sadness that I heard of Chuck`s passing. I worked with him at Fort Hills a few years ago. He spoke often of his family with great admiration and joy. We always had a great time and he was one of the best Ironworkers that I had ever met. My condolence`s to his family, he shall always be remembered fondly.

Lou, how does one deal with this loss? I wish I could tell you, or better yet tell you that it is all a bad dream.

I DO KNOW, that what I taught you as a child at Plain View, is STILL TRUE -

"There's A FATHER UP ABOVE, LOOKING DOWN IN TENDER LOVE."

It may be difficult to, but let HIS LOVE ENCASE your sore, bleeding heart ☐ .

I do not understand why, and we may never, BUT He knows best. So TRUST HIM!!!!!!!!!! TELL HIM how lost, how awful you feel. Tell HIM WHATEVER your needs and pains are - and feel HIS ARMS OF COMFORT enfold you.

My love, thoughts and prayers are with you and family at this crucial time. May Chuck Rest In Eternal Peace.

Please accept my deepest and heartfelt condolences at the loss of Charles. I was deeply saddened to learn of the passing. I first met Charles when I first moved in Baywater. He was super nice and he would stop me to see how I was doing while I was getting the mail or stop me for small talk. We talked about his short time he did at Canadian Pacific Railway and told him to apply on my side I do as I do maintenance away. I am still in shocked you will be dearly missed so rest easy my friend.
