Messages of Condolence

Marie was my beloved niece, loyal friend and trusted confidante. Our closeness was a joy and a blessing throughout many years of my life. I shall always hold her close in my heart and memory.

— **Ruth Carter**

I want to pass on my heartfelt sympathy to Marie's husband Daryl, her daughter Kristin, husband Raul and granddaughter Gia as well as son Michael. I wish I had words of comfort to this loving family who will have to go on without this amazing woman they were so blessed to have in their life. I was her aunt and I will always be your aunt.

— Ruth Carter

Marie had a very warm heart and a loving presence. She worked hard, made her own way through life and always shared the bright side of her experiences. My images of Marie, will always be of her on a sandy beach with a warm wind in the air, a smile on her face, and words from her lips, saying, "live happily" and visit Mexico.

Marie will always be remembered, loved and cherished.

We met Marie and Daryl several years ago in Ixtapa, Mexico. When we first met, it was like we'd been lifelong friends. Daryl was our voice of knowledge, and Marie was Marie.

Her personality and sweetness drew you in. She was caring, thoughtful, loving and one of the sweetest women I have ever met!

She is an angel in God's army. She will still be lovingly watching over family and dear husband.

She will forever be in our hearts! She will be missed ☐

— Dennis and Jackie Day

My condolences to the family. Marie's bright happy attitude and smile will be missed. She was always an angel to every one she met. Kind, caring and compassionate to all the patients and staff she met and interacted with. It was my honour to know her.

Dear Daryl and family, we are so sad about this. We simply cannot find the words to express our feelings and to let you know that we love our Canadian family deeply. We will always miss our dear Marie. She is now in heaven and at the same time, she will always live with us in our hearts. The love of living that she always taught to all of us will remain forever and Guide with her light our path. We feel so blessed because we had the opportunity to meet an angel in this life. She is just waiting for us and someday will see her again. We need to be strong as she always was. We send you all the biggest Hug with all our love my dear brother.
