We are shocked and saddened by the news of Rocky’s passing. He was a good friend, faithful husband, caring father and grandfather. He played many roles in his life. He used to tell me of all the work he’d done in constructing the airport runways which I landed on many times. He sure loved watching sports especially hockey and football. There was always a game on tv whenever we would visit. I’ll certainly miss that big booming voice of his especially when a goal was scored. Prayers for the family at this sad time. He will be greatly missed by many.
