Please remember: "time takes all, but memories live forever"

"I wish I could hug you

And just see your face.
But now I have memories
To stand in your place.
Gone but not forgotten
That's what they say.
Of course that is true...
But if only you could of stayed"

We met in kindergarten, and were friends longer than anyone I knew. I pray she made it safely to where her Spirit went. I think of her often, and wish I could have been there in her last days to let her know how much she actually meant to me. If there is another life, I hope I can have the privilege of her friendship.
