Hampton "H. John" John Roth

JANUARY 25, 2016

ROTH, H. John

H. John Roth of Red Deer, Alberta passed away peacefully, with his family at his side, on Monday, January 25, 2016, at the age of 60 years old. John was born on January 18, 1956 in Dawson Creek, BC and moved shortly afterwards to Southern Alberta where he was raised by his parents, Jack and Norma. John grew up the oldest of six, with his siblings Debra, Curtis, Sandra, Roseann and Kathy always looking up to their 'big bro'. As a young adult, he made the move to Edmonton, where he met the love of his life, Lisa. Together with Lisa, John had three children of his own, Vincent (Julia), Katherine (Matthew) and Daniel. Having children would eventually lead to his ultimate joy in life, his three beautiful granddaughters, Annika, Elaina and Juniper. John and his family made the move to Red Deer in 1987 and decided to stay. It was here that he started Roth Radiography and Inspection Services, a career move that would put him in a position to touch many lives.

John will always be remembered for his sense of humour, his genuine care, his honesty, integrity and his magnificent blue eyes. In his passing, this world loses a man who knew the value of a hard day's work, and who never forgot why the work needed to be done. A man who was always happy to lend a hand up to anyone who needed it. A man who put family before everything.

An intimate Memorial Service for family and close friends will be held at Unity Baptist Church, 139 Northey Ave, Red Deer, AB on Friday, February 12, 2016 at

1:00 pm.

In lieu of flowers, donations can be made to the Red Deer Regional Health Foundation, 3942 – 50A Avenue, Red Deer, AB, T4N 4E7 to help show appreciation for the wonderful staff on Unit 32.

Messages of Condolence

My deepest sympathies to Lisa and family.

— Doug Sturm

We didn't work together that long, but John made quite an impact. He was so supportive when things were going upside down. Even if it wasn't job related, I knew he would always have some words of wisdom. When he left Nortech - I missed seeing his head popping around the corner, ready for a chit chat session. He is missed greatly and I am grateful to have been one of the lucky ones to have met and worked with John. Thank you John

My family sends their love and condolences to all of John's family. I will miss the political chats I had on facebook with John and I will miss the one on one chats I had with my cousin where we grew closer over the years. I know you are safe in the arms of Jesus. Rest in peace. Love you always. Barb

Rarely does a customer leave as much of an impression as John did in our office. We only would see you guys a couple times a year, but because of social media, you brought us into your homes and lives like part of your family. I will miss him "liking" and "sharing" my posts for all his friends to see... and of course vice versa. We still have his reviews on Google, Facebook, and our website... we will never forget him.

Lisa and Family.

So hard to imagine John gone, he really was so full of life. I remember as a young boy in Edmonton growing up so close to Jack and Norma. Our families were so near for a lot of the younger years. Lots of great memories. It's funny, as we grew older we all had our own lives and didn't see much of each other. In the last few years I was able to reconnect through Facebook, and then a couple times meet up with John for coffee on my travels through Alberta. Such a loss. Such an amazing man. My condolences to you Lisa, and the entire family. You are all in my prayers for this very difficult time.

In recent years I was blessed to be in constant contact with Johnny via social media along with the occasional phone call or visit. I always appreciated a strong bond with this man,.. my cousin, friend and confidant. I still have letters that he wrote me the year that I lived alone in Medicine Hat. What 23 year old guy does that?
In our childhood and through the years to being young men, we had so many adventures together. So very many.
I knew John as the leader of the pack. He possessed that intangible that all central figures have. He was also gifted with an ability to speak without words and with words that demanded attention. He could make a group of people cry with laughter... for hours, when he was on his game.
He cared with rare passion, especially for family and their extensions. God I miss this dude, so many of us do. Here's hoping that there are a few beers and BS that we get to share again, someday, somehow.
