Messages of Condolence

Gary and I were so saddened to hear of the passing of Marguerite. What a difficult time for you, the children, grandchildren and great grandchildren. An amazing gift for you to have enjoyed so many births to carry on your family legacy. You and Marguerite were certainly blessed with so many little ones. We think of you and the kids often. We haven't been up your way for years but if we ever venture in your area we will look you up and hope you would do the same if you are ever in our area. Kevin is not a good communicator as you know . He nor I have a current address for Brent and Jenn. If you have a moment please send his address. Thank you. We'll keep you all in our thoughts and prayers. Love always - Gary and Barb
