

Linda Caroline Rozinkin

FEBRUARY 15, 2020

With heavy hearts we announce that Linda Caroline Rozinkin has left us. Born on September 25th, 1952 in Nelson, B.C. to Bill and Lucy Rozinkin. Her sister Marilyn was born 2 years later, and they loved each other dearly. Linda was a free spirit that loved life and all of God's creatures. Linda held some interesting employments; most outstanding was the 38 years she spent with Trimac Transportation. After retirement she took a part time job with London Drugs which she enjoyed immensely. Linda is survived by her precious feline child, Milo; her sister, Marilyn, and Ed; dear friend and companion, Brian; and adopted niece and nephew, Heather and Tyler and so many wonderful friends gathered throughout her life. Linda will be greatly missed for her kindness to all, and her level headed approach to life's trials and tribulations. Her advice and opinions were always guided with balance, harmony, and solutions without conflict. Linda's approach to life was also seasoned with her strength to stand up for the underdog and her determination to stand her ground when challenged for her beliefs. Linda will be dearly missed and long remembered. Rest in peace dear one. --- A celebration of Linda's wonderful life will be held when we can all be together.

Messages of Condolence

My heart goes out to all of Linda's family and friends. I met Linda in 1994, and she was a constant friend. I will miss her dearly.

Marilyn, her rummoli friends only found out about her passing today and we too share your grief. Linda was a very kind and very funny person and we all miss her greatly. Please let us know when her celebration of life is as I'm sure many of us would like to be there, even if remotely. We will raise a glass to her on the anniversary of her passing. She is missed.

My heart thought of you often. I sent you prayers, thoughts, and love...I hope you felt them. My memories of you will always be your smiling face, laughter and "little shovels".

Rest in peace my friend.
