Messages of Condolence

We have very fond memories of both Dalvin and Annette especially the fun times we spent at their cabin in Invermere. There was lots of laughs around the campfire. They won't be forgotten. Our condolences to the family.

You will be missed. You and Aunt Annette were always there for us when we needed someone. Our times at your cabin in Invermere were always happy and laughter filled.

I just found this. I'm so sorry for your loss. Delvin and Annette treated me like family and took me in so I could attend school in Calgary. Delvin (and Annette) were some of my very favourite people in this world.

Michael
