Messages of Condolence

Mike and I first met as young kids living in Gladmer Park and attending Peart School. He was always a happy and friendly person and a good friend to all. He will be missed by all who knew him. My sincerest condolences to his sister Charlene & family. Rest In Peace Mike.

I first met Mike through his sister Charlene as her and I became friends in high school. I loved his sense of humour even though he liked to taunt me about my love of the Roughriders and I just gave it right back to him about his beloved BC Lions. I will miss visiting him when I come to Regina. It just won't be the same without that stop. Rest In Peace Mike and take care of Charlene and Tyler from up above.

Michael stopped by our desk in the Adult Program everyday to remind us to read the daily positive messages. We had fun with what some said and it always brought about more conversation. We celebrated Michael's birthday with a cupcake, noise makers and presents. He pretended to be embarrassed but was quite touched. I will miss his daily visits and his quirky sense of humor, he always had a t-shirt, video or song to share with us. Michael was very special and will be deeply missed. So sorry for your loss. My condolences to the family.

We are so shocked to hear of Michael's sudden passing. He was always to happy to see us when we came to visit Derek. He has a special place in our hearts for taking Derek under his wing and brightening his day with playing the "Wonky Donkey" video on his phone for Derek as well as other songs. His memory will live on in our hearts. Our very deepest sympathies to Charlene, Tyler and family.
