## SING WITH THE ANGELS

Susy Ruoss died peacefully surrounded by family and friends in Abbotsford Hospital on September 3, 2019 after a courageous battle with cancer. Susy lived in Chilliwack with her husband Patrick. Susy's son Brady also lives in Chilliwack with his fiancée Marlaina.

Prior to moving to Chilliwack, Susy had lived in Princeton with her family for several years, making many friends and lots of wonderful memories.

Many of us in Princeton will remember her amazing voice in song!

Susy was born in 1970 in Vancouver, B.C. to Carol Ruoss and Peter Ruoss and is survived by her husband Patrick and her son Brady.

Susy had a bright and energetic personality and was known for her ability to sense when people needed her help. She touched many lives with her gentle caring nature and her beautiful smile that warmed your heart.

Susy loved her birthday and would start calling her friends and family 5 or 6 weeks prior to her special day, opening each conversation with "a countdown to her birthday"

Susy, we met when we were teenagers, that was many years ago. I was amazed with your openness and kindness. You always made everyone feel like they mattered. You will be very missed by myself, and everyone who had the opportunity to meet you I'm sure. Such a true friend and a beautiful light!

We are so sorry for the loss of such a beautiful soul. I worked at the Family Place in Princeton and this is where I got to know Suzy. She was such a caring and gentle person. She loved working with the single mothers and their children at the centre. She left an imprint in Princeton and touched many lives there. Our condolences go out to all her family at this time.
