Dear Cliff and Family,

We are so sorry to hear that your mom has passed. I want you to know how sweet and kind she was during her stay in the hospital even though she struggled so hard. I know it wasn't easy for her. When I asked her about her boys, her pride and love shone through and she told me that "they are the best sons".

I just wanted to let you know that Kevin and I are thinking of you and hope you find comfort in all the good memories you have of your mom and your family together. She's an angel now.

Dear Garth & Family: When Adam called to let me know about Gloria's passing, I was struck with a memory of her shortly before I left Regina. All of our kids were small and Gloria was a blessing in my life which had become difficult. When I was in Regina for Christmas this year, she had just entered the hospital, and wasn't seeing visitors yet. But I think of every time I spoke with Adam and he said that "Gloria says hi", I thought about her beautiful spirit and the many kindnesses she showed me. I will miss knowing she is there, and my heart goes out to you all and my prayers are with you in this time of loss. She will be greatly missed by all.

Dear Garth,

We were talking to Gary from Fredericton, and he informed us of Gloria's sickness and then her passing. We are devastated for you and your boys, because we know what a close family you have been, and how important Gloria was to all of you. We only met her a couple of times, but it was enough for us to see what a fond, loving relationship you two shared.

We're so sorry, Garth, and we want you to know that we are thinking of you and wishing you the best.

Sincerely, T&D
