Messages of Condolence

Condolences to all on the loss of Marlene. We had lots of laughs with her the last few years and a nice visit early in the summer. She was a great lady!

I was saddened to hear of my Cousin Marlene's passing. When I was 10 - 12, Marlene would come to our home outside of Galt and babysit me and my brother Michael go the entire summer and oh the fun and mischief we all had. I looked up to her and her siblings, and I have so many wonderful memories when visiting all of them in Teeswater. On behalf my Mother, Beatrice Thomas (Aunt Beatty), Michael and myself. We send our Love and sincere condolences to Marlene's family and friends. She will be missed.

Love

Cathy Huddleston

We go way back with your Mom (and Dad). From the days spent at the rink with your Mom and all the hours you looked after my kids. Your Mom was a special lady. She was a straight shooter and you always knew where you stood and we admired her very much. She had a wonderful sense of humour! We reconnected when she moved back to Fillmore to look after Bert. We had some great meals together and lots of good visits. We will miss her as we know you will!

— **Diane and Bill Wall**

Will always remember you at rink feeding us boys chocolate and burgers to keep us refereeing all those long tournaments (as we didn't sleep the night before) but you had our backs ... Rest In Peace Marlene ...

— **Brian istace**

Our condolences to your family. May fond memories fill your heart and ease the sadness. Sending you love and hugs.
