Dear Audrey & Rick, Gary & Joan, Brian & Lois and families,

My deepest sympathy to all of you. You have lost a wonderful family treasure! Family was so important to your mom, and this included "the Manitoba bunch".. I was fortunate to have spent so many hours on the phone with your mom these past five years. Our conversation was always a mixture of how wonderful her children, in-laws and grandchildren etc. were as well as stories of your dear dad and how she missed him. Your mom was a great "listener" too and always positive and kind even when faced with multiple health issues. I admired her and now she is reunited with your dad and reaping the returns of a life well lived.

Carol De Baets (nee Rigaux) - one of the "Manitoba bunch"

Dear Gary, Brian, Audrey and families. Heartfelt prayers and warm thoughts from our family to yours. Your mother Yvette was a lovely lady and devoted mother. We enjoyed the years we lived in Odessa and knew your family. May you continue to know her love and devotion as she watches over you with the host of heaven.
