Messages of Condolence

Dear Kim & Dean,

We are saddened to hear about your Mom's passing. She was such a great Lady & loved you guys and her Grandsons! I always loved visiting with her & having lots of stories & laughs. I remember her telling me about little Zack...he is probably big Zack! He was getting into mischief...she asked him what he was doing...of course he said, "Nothin!" every time I hear that question I think of Zack...to this day! I am sure Donna is in a better place, with no pain & at peace. She will be an angel watching over you & your family!

You are in our prayers!

Terry, Annette, Amanda, Crystal & Becky Lang

Donna was a very special person, with a gift for caring for others. My dad, John, lived at Acaster for less than a year, and he received so much care there. Donna was accommodating, generous and kind. I will always remember how grateful I was to find such homecare for Dad. May she now receive such TLC as she has gone to her eternal rest. May God bless your family as you journey on without her; I know her spirit will guide you along the way.

Sincerest sympathies from Susan Brock

To Donna's family: I remember Donna as a child visiting her Grandma Lipinski who lived next door to us on McAra St. We as children were taught to call Julia, Grandma Lipinski out of respect. The first time Donna heard me calling Julia, Grandma Lipinski, she wanted to knock my lights out. She told me that was her Grandma & I'd better not do it again....lol Many years later we met working for the Dept of Highways & had so many laughs together. I'm so sorry for your loss because I do believe it will be a huge loss for you. May you too find comfort in your memories.

Sincerely,

Bethney Selinger (Hazen)

My sincere condolences to Donna's family. Donna and I worked in the same branch with the Department of Highways for several years, and I will always remember her quick wit and effervescent personality. That was quite a while ago, but her Chocolate Zucchini Cake recipe is still one of my family's favourites. Thanks for the laughs and the recipes :) Rest in peace.

To the Lipinski Family:

I worked with Donna many years ago at Canada Post and have thought about her often over the years. She brought laughter and joy to a very tedious job. Having recently moved back to Sask I was trying to locate her to catch up over a glass of wine when I found this obituary. My deepest sympathy go out to her family and friends. My recall of her was of a wonderful, happy, generous person with no small amount of mischief. You were blessed to have her in your life.
