## Messages of Condolence

Dear Maria & Family.

We are deeply saddened to learn that Heinz has passed away.

Although many years have passed between us, we hope you will find some comfort in knowing that we care.

Harry has always told everyone he knows that Heinz was the best man he had ever had the pleasure of working for, and what a kind and generous man he was.

Most sincerely,  
Harry & Carol.

We would very much appreciate knowing when a Celebration of Life is planned, as we would like to be able to attend.

— **Harry & Carol Powell**

We have decided at this time not to have a celebration of life, but are putting it off for a while. Thank you for your interest

— **Ingrid**
