Messages of Condolence

In 1972 Siegfried and Siegmund built us a new home in Regina which featured a "3 level" curved oak staircase. Forty plus years later we still talk about their great craftsmanship!
Our condolences to all the Scholler Family.

I would like to send the entire family my sincere condolances. I received this news quite a while after it happened and am very sorry I could not attend the services. Sig was a great mentor and definately a true craftsman and will be always remembered as such. I will always be grateful for the knowledge and skill he passed on to me, His legacy will most definately live on in those of us fortunate enough to have known him.
