

Anton Robert Scholz

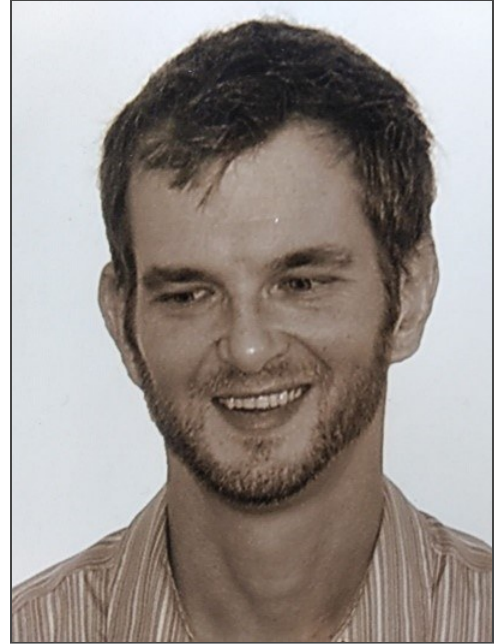

FEBRUARY 14, 2023

Tony was born in Halifax, Nova Scotia on November 9, 1971. As a baby he lived with his mom and Dad in Graduate Students Quarters at Dalhousie University until spring of 1972. Tony moved to Shediac, New Brunswick and Moncton three years later, where his brothers

Christopher and Cary were born. Living in Moncton's Centennial Parkway he had a ball

playing with his friends and brothers on his tricycle and catching tadpoles with Shalla, his Irish setter, all around the neighbourhood. In the Winter, he made Snow Forts and had many snowball fights.

In one of Moncton's famous Winters, there was so much snow we had to put him out from the second story window to play. (So many snow days) In November 1989, we drove across Canada in an extended Ford Van to end up briefly in White Rock then at 10A Avenue in Tsawwassen, B.C. His Elementary school was Boundary Bay just (across the street, now condos) where he played T-Ball, for Doc's Devil's. Tony Graduated from South Delta Secondary on June 1989. As a teen he worked at Mike's Steak House and White Spot. Moved downtown Vancouver to bike courier. His first real job was with Dye & Durham, for several years, where he met Anoop and had his beloved daughter Kishal. After much thought Tony decided to parent his daughter for her early years from home. He was a super Dad. He started Pro-line Real Estate with his brother Christopher, so that he could work from home. He loved making electronic music and demo tapes with different artists from his studio in Vancouver. After his brother's move to Mexico, Tony continued to run the company. In recent years he lived with his caring girlfriend Amanda. After a

prolonged illness with Brain Seizures and Damage, it led to his ultimate admission to Vancouver General Intensive Care. He passed on February 14th, 2023, still able to donate organs to B C Transplant. Survived by the light of his life, daughter Kishal, his parents Heinz and Renata, his brother Christopher (Sofia), nephew Carlos, God-mother Catharina and cousins and friends. Predeceased by his younger brother Cary.

Messages of Condolence

Dear Dr. & Mrs Scholz & Chris,

My heart ☐ goes out to you all on the passing of your son & brother. I have so many fond memories with Tony skiing at Mount Baker & driving around in his Land Rover. He was always so kind to everyone and always such a happy soul. May he rest in peace. Sending you all lots of love

With so much respect I am so very sorry for your loss.

I did not know Tony well but we all went to Boundary Bay. My brother Terry was great friends with Chris and we just lived about 500 meters away from each other. These were great years for school, running around the field and being kids.

I am truly very sorry for your loss...again. I remember Cary. Another beautiful boy. My love goes out to you all. Please let me know if you need anything. Chris knows how to find me.

Peaceful blesses to you all from all of us. Mom, dad, Terry and myself.

This woman who was known to be a Motor Mouth is SPEECHLESS!! In your honor, I will only think of ALL the good Tony was for you ,& ALL the others who have loved on him.

Why not even a month ago, I had a flashback of the house on the beach you had.

Tony, Chris,& Cary were ALWAYS on the beach doing back flips and tricks. There wish was to join the circus! (Not running away, just join! ;)

He was a guy who was Always to my rescue when I needed it. He was that guy that didn't need to be told to help, he just did it & with a Smile to boot!! I will miss my Cousin Dearly.

Please take CARE of each other at this terrible time.

ALL my Love & Prayers are with You!

Dear Heinz, Renata, Chris, Kishal, Amanda, and to all of those affected by Tony's passing, I am so very sorry for your loss. There have been so many memories that I've shared with Tony including the many times I visited the Scholz family in BC when I was a teenager and young adult. He was one of the funniest people I knew who could have me laughing in no time and have such great memories of those times and his caring and loving nature. Tony will be missed by so many. Rest In Peace cousin.

I had the chance to talk to him in December last year and we had a long talk about many things including some crazy adventures from the time he spent here in Brazil. Good memories that I will keep forever.

I didn't know that the Christmas Eve gathering would be the last time I would see Tony. Through the years, He was always kind and considerate to me, helping me with the grief I had to endure with the loss of my brother Nigel. I will remember Tony for all the good times we have had together, going camping and having a good time, enjoying life.

— **Dee Dodds**

Heinz, Renata and Chris - my heart breaks at this news and for your loss. Tony was one of the most loving, supportive and encouraging people I have ever met, and I am blessed to have been able to share a piece of my life with him, even for a brief time. Please know that you all and Kishal are in my prayers.
