

Wendy-Lee Schrempel

DECEMBER 8, 2021

Wendy-Lee, age 52 years, passed away peacefully on a beautiful snowy day surrounded by family and love.

Wendy-Lee's endless love, kindness and gentle touch has left a mark on all who knew her. Her talent for crochet, cross-stitch, and baking was well known amongst her friends and family. Many are lucky enough to have received gifts of blankets, scarves, artwork and patiently waited for her specialty Christmas baking trays to be delivered each year.

Wendy-Lee will remain in the hearts of her parents Shirly and Alice Schrempel, her brother Kelly Schrempel, her sister Cory Ouellette, her son Austin-Lee Schrempel, her niece Madison Schrempel-Ouellette and her nephew Alexander Ouellette. She will be greatly missed and is deeply loved and remembered by her family and friends.

Special thanks to the kind and gentle staff of the Palliative Care Unit 3A at the Pasqua Hospital as well as the Allan Blair Cancer Clinic. The care you provided helped ease this difficult journey.

In lieu of flowers to the family, consider taking bouquets to a special mother in your life and let them know how much you appreciate and love them.

She was tired.

No one could see the level of tired.

They saw the outside.

The one giving, smiling, showing up.

And yet inside, she felt the fatigue.

The tired of trying to keep up.

The tired of agendas.

The tired of worries.

But she kept on.

She kept on giving and loving.

She kept on hoping

She kept on showing up.

She knew her giving mattered.

She pushed forward.

Out of love.

Even in the tired.

- Rachel Marie Martin

Messages of Condolence

My condolences to Shirley, Alice and family at this time of sorrow

— **George Bentz**

Wendy was a special person who could always make someone smile. We are fortunate to have known her.
