Caroline, I am very sorry to hear of your Dad's passing. Don't know if you remember me? I often think of you and your family and where you ended up. It's been a long time since we were at grade school in Nanton. I still fondly remember staying at your home at Willow Creek and the adventures we had. I remember your dad being a tall kind man and I absolutely was fascinated that he was a Forest Ranger. My deepest sympathies to you and your family.
