Messages of Condolence

I miss you so much, your smile when you call me Mrs. S., the evenings on the deck, shopping at Costco's and I'm certainly going to miss our family trips to Alberta and BC. Time will ease the pain all with the Lords help. I'll see you again my Love. June

Our deepest sympathy to June and family. Sorry about Jerry's passing. I've worked with Jerry many years, he was one of the hardest working men I knew. He always had a smile on his face and made me laugh even when things weren't going well. I'll miss his euphamisms. Pangman's for penguins, wishbees for wannna be's etc. We spent more time on the road together than we did with our wives and he made it a lot of fun. He was truly a great friend and he will be missed.
