Randy, Darlene, Carol, Donna & families, My heart goes out to all of you at this sad, sad time. Even though we didn't see each other very often there always seemed to be a special bond between our families. Gail was such special girl, she made me smile everytime I thought about her. Always up to mischief of one kind or another. I just wanted you all to know that we are thinking of all of you at this difficult time & hopefully time will help ease the pain knowing that she is at peace now.
