So sorry to hear about Jim.

— **Muriel Freeman**

We are so sorry for the loss of Jim. Our families had been friends since forever. At Mom's 85 birthday party. Jim and Elmer Currie and Bob Crawley argued over who had known Mom the longest.

Remembering all the times spent together on the farms, all the trips and travel together. And all the ups and downs. Hanging out with Jim and Pat and family was always an adventure and full of fun and laughter

We are sorry we won't make it to the service. I would have liked to, but as you may know our Papa John Rowe has also passed away.

Know you are in our thoughts and prayers.

Ken And Karen, Bette and Ben, Bev and Dan. And families

Pat, and family,

We were sorry to hear today of Jim's passing. Your family, as you know means the world to us! Jim's ready smile, laugh, and kindness, and talents will remain within one of those happy spots in my memories. Many, many good memories of our times together have flooded my mind today. We are sorry that we could not come to the memorial.

Our prayers, thoughts, love, and hugs are with you all. We miss you guys! Life has changed for us, and we will have more time for visits. Hint Hint. xoxo

Please know that you are in our thoughts during this sad time. Our Dad (Jack) considered Jim as one of his special, lifelong friendships.
