Messages of Condolence

I have fond memories of my uncle Jim. I recall his laugh and a quiet manner.

My condolences to my cousins and all who knew him.

— Doug McCormick

Kay, Diane and Donna Lowe

— Kathleen Lowe

Jim was a great friend of his Uncle Bob ,who was my dad.

We spent much time in his company. Always fun.

We (Bev & I) were married by Gladys's father in Regina in

a dual ceremony with dad and my step-mom Peggy

in Sept. 1960.He was more like a brother than a cousin to me.

— Robert Searcy
