Dear Doug and family, I just recently heard about Trevor. What a loss for all of you! I did not know him well but we did cross paths at times and he was a real dear...and had that joy of life and sense of humor he inherited as a Seib! My sincere condolences.

— Carole Seib

Hi,
Sad to hear about Trevor's passing. I worked with Trevor at RCE way back in 2001/2002, and I have nothing but good memories of working with him.
