Bethney was a true gem to know and work with. She always greeted me with a smile and simply made me laugh. Her wit and sense of humour were second to none. She always had time and took an interest to hear what was going on with my family. I really miss that.

Bob and family, we are so sorry to hear about your loss. Our sincerest condolences. She will be missed but great memories of her will always live on.

Bob, Lonny and Ryan - Our hearts were heavy with sadness when we heard of Bethney's passing. We send all our love and prayers to you during this time. Bethany was a wonderful woman who would want us to be happy for the life she lived and remember the wonderful times we had to enjoy it with her. She will be missed and thought of often. Take care.

— **Andrew, Joy and Family**

We are going to miss our pal for lunch...we had so many giggles and laughs which will help us remember Bethney. Please accept mine and Bonn sincere condolences for your loss. She is free of the pain and playing with her dog and visiting with her family and friends who have gone before her. Certainly the verse. "Easy to remember and hard for her" applies to her.

Bethney was a strong woman and not willing to accept circumstances that life gave her. She loved her children and grandchildren very much which was very obvious. I will really miss the daily texts, she is at peace now after a long fight. ☐ ☐ ☐

Bethney was always two degrees hotter with that Red Hair. She was a feisty, fun woman. We always enjoyed the lunches she organized and her emails that ended with "giggles". We are very sorry for your loss, Bob and family.

I am Bethney's first cousin. The Hazen family is massive and the cousins didn't get together too often! The last time my sister was visiting from Edmonton we got together with Bethney and Candis.

We had a great visit! Over the years, I have run into Bethney but it seems that life just gets in the way! I know she will be missed a great deal.

My condolences to the family, both immediate and extended.

My thoughts and prayers will be with you all!

Love

Cousin Donna
