Please accept my condolences on Leila's passing. Watching you grow up into the young woman was an honor and a privilege. Your children were truly blessed to have you as their mother. Neil, Emily, and Kasey our thoughts are with you and your mom will still be watching over you and will be by your side as you travel through life. To everyone else, I'm so sorry that you have to go through the loss of Leila at such a young age. No age is easy when dealing with this. Please know that we are sending much love.

I have been in a state of shock since learning of Leila's death. I am so very sad for the family left behind. Evelyn, no mother should have to bury her child and close business partner. My heart goes out to her children at this very sorrowful time. Leila was a great mother and business woman, she always had a plan and a smile on her face.

For some reason, that we don't understand her life was cut way too short. I hope your family can find away to get through this. Thoughts and prayers with you!!

I grew up with Leila, walking across the field everyday to school and then continuing into high school. I remember her often having spitz in the front pouch of her windbreaker and always sharing them with me. Later on, she followed in the footsteps of her older sister Tanya, and joined our track team. She was an amazing athlete,,, good at every sport. My heart is breaking for her and her family, as I knew the Serblowski's quite well. I wish I could have seen her more recently. Just so sad to hear of her passing. I believe she will watch over her babies from heaven.

Dear Evelyn and Phil:

We were unable to put into words our sorrow when we discovered Leila's passing. The unimaginable grief both of you, her children, siblings and in-laws must be experiencing. The premature loss of a vibrant young woman is no doubt very difficult. Take solace in the fact, she was loved and will always be remembered. Powers much greater than ours have a different task for her now, take comfort in knowing she is safe, pain free and watching over all of you.
