## Messages of Condolence

When I think of Bill I smile, and then I smile bigger and chuckle. My memories of Bill and Marg are plenty. I can hear Marg's gravelly voice and Bill teasing me about something silly. Big love to the entire Shaw crew and their families. Sending each and every one of you love, light and peace.

Our deepest sympathy on the passing of your Dad & Grandfather. We know how close your family is & how loved Bill was by you all. We know, that one day, your tears will be replaced by happy memories of all the special times with your Mom & Dad. Bill's death is all the more painful when you're not able to be together to share your grief. We hope that this will end quickly so you can mourn his passing together. In the meantime, we hope that the knowledge that many care & share in your loss will help to ease your pain. Thinking of you all with love, Marlys & Wayne

Our deepest sympathy to Uncle Bill's family. He was always an interesting individual with a great sense of humour. I'm sure it is difficult in our current covid world that you are not able to get together as a family to mourn and also to celebrate Bill's life. We are thinking of you at this difficult time. May God bless you all.

My deepest sympathy on the passing of your Dad & Grandfather. I meet him a few times and he was a very polite and nice man to chat with. I knew that you ladies were very close to your Dad and he was a special person in your heart. The last time I saw Mr. Shaw was at Jackie's wedding and then lost touch with all of you ladies. Just remember all the good times you had with your dad and cherish it forever. Your dad is in good hands with God now. Take Care all of you.
