My deepest condolences. I am simply heartbroken. I knew Jae from working at SaskTel where I have been for over 20 years, and was also friends with her son Josh since I was in college. To the Sherris and Hunchak family, I am so awfully sorry for your loss and they are both dearly missed and loved by many. We are all so lucky and grateful to have had the opportunity to know them and have our lives enhanced because of their mere presence. Please take comfort in knowing the thoughts of many are with you and your family during this difficult time.
