I am sorry for your loss. You are in my thoughts and prayers.

Very sorry for your loss Elaine & family. We found Jennie so lonely & didn't seem to have much will to live when we saw her. Its maybe better for her now. It had to have been hard being the only child to keep visiting her & attending to her needs. I see its a family funeral so not sure if you had the burial assuming in Raymore with Steve. Murrays been in LaRonge working as hasn't been home for a week & goes out again there next week. Best wishes to you all

Diane & Murray
