Messages of Condolence

Very sad to know we won't be seeing Jerry at anymore family events. We will miss him terribly. Especially his laugh.

I see Jerry in both Jenny and Bret in a lot of things they do.

I know he was very proud of both of you.

Your dad will always be with you in your hearts.

Love, Auntie Patty

A sad thing happened this day. The pain will ease with time. On a lighter note; if only he knew his picture was finally on the Internet.
