Bonnie had a very full and vibrant life ,despite the many obstacles in her way . She did it her way ! She was always the life of the team golfing and I have many wonderful memories ! I am sure I was the only one who threw her out of the golf cart in the parking lot! Thank heavens she was ok I was mortified ! I took a sudden turn without notifying her . Forgive me Bonnie and hit them long and straight !

Ron, Rose, Cavell & families. I am so sorry to hear of Bonnie's passing. Bonnie was one of the first ladies I got to know at TVGC, I always really enjoyed her company and her sense of humor. I never forgot her last name as she told me (as I am sure she told many) "my Bonnie lies over the ocean....My Bonnie lies on a Simmons Mattress' (or some thing very similar.)

We started Calgary Wheelchair Curling in 2004 and Bonnie was one of the very first Instructors. She was a steady influence as a Coach and Instructor to this new Curling Game. Along with others, she helped develop the Curlers in Calgary to one of the most successful Wheelchair Curling Teams in Canada. Bonnie was so reliable and it was a pleasure to work with in various Curling Classes in Calgary and elsewhere. RIP Bonnie. May all your rocks have great weight and perfect curl. Hurry Hard Girl. Loved you lots.
