Messages of Condolence

Christopher was an amazing man who will forever own my heart.... he helped me in so many ways to become the person I am today, words could never thank him enough... I can still see his smile and hear his voice, feel the warmth of his hugs.... this world will never be the same without him here to share it with us... and fill us with laughter and smiles as he shares his story’s and jokes... or the endless music he would send for us to hear... he was one of a kind with a heart of gold.... forever and always in our hearts

— Ashley Rae

Christopher was my brother through and through. We had our ups and down but he was family and he was there for me when I was at my worst and when I was at my best. He always had something funny to say. He made everyone laugh and was the life of the party. I will miss his smile, his laugh, the zanni things he did from wearing my clothes, to defending me like no other. He will be missed with my whole heart. Go peacefully into heaven brother.

How do you sum up 20 years in a few sentences. Many laughs, many tears. Many crazy memories.
You gave me one of the greatest gifts of my life and because of that, you have always had a special place in my heart.
