Messages of Condolence

Bob was a great friend to us all as well as an awesome co worker to Diane. Pat enjoyed hunting and fishing with Bob. We all enjoyed playing sports with Bob such as horseshoes and ballgames at our annual tournaments. We will always remember him with a smile on his face and his positive outlook on life. Bob will be sadly missed by our family. Our condolences to the Skalozub family.

Bob and Fausto met while they were fishing, and became good friends over the past couple of years.

Fausto had a luncheon on the Saturday prior to Bob's passing, and this is where I finally met him, too. It was nice to finally meet someone about whom Fausto had spoken so highly.

He impressed me as being a lovely, warm man. Our sympathy to his family on their loss.

There is an old saying that goes something like this “when a woman marries, her family gains a son”…Bob adopted our family, Warts and all and we adopted him as one of us. He was a pillar in our family, always there for each of us. I could always count on him to get our family laughing, moving and enjoying life. For close to a half century when I spoke of or thought of my sister it was “Bob and Ann”…I loved Bob and I can’t believe that he is gone from our lives…

I am so very sorry to hear of Bob's passing, although we didn't know him personally he was such a wonderful person to my brother "Dougie Mo" from Michener. We would often hear stories of Bob, need to send home an extra piece of cake from family gatherings for Bob, not to mention the many pictures we have of Dougie when he was out on activities with Doug, especially fishing!! He was a special person who made the world a better place, I know he will be missed by so many. My condolences.
