## Messages of Condolence

Bill & I send our condolences to your family.

Agnes was such a genuine person. I was a housemate in Vancouver during our ”AirCanada” days.

Sincerely,
Jennie

Very sad to learn that Aggie has passed. My sincere condolences to Ted and family. It seems like yesterday that we all spent a few years of friendship and fun with the construction committtee(s) and our families. I see someone from that group every now and then and share a smile and story or two. Aggie was always the warmest hostess when we met at their home.
