Please accept my deepest condolences on the passing of your dear loved one . Are we not truly blessed with the hope our Creator has given us of seeing our loved ones again. God's loving comfort from the scriptures brings us much relief and confidence in the blessings of His New Kingdom. At Revelation 21:4, John 5:28, and Isaiah 35:5,6 He promises to end death and sickness and to resurrect our dead loved ones. Soon he will wipe out every tear from our eyes so we can live in peace and happiness with those we love in his promised New Kingdom here on earth. Soon we will have no reason to grieve anymore. My hope is that you can take comfort from God's word and that it will also comfort you when you think of your loved one.
