Marg was always the consummate Lady; her cheerfulness, commitment and subdued enthusiasm will be missed in my Aquasize class. I feel blessed to have known her and to have shared alot of laughs during our workouts. May you find strength in your family...

I miss seeing Marg at the Clothesline. I appreciated her supporting me by coming to my annual craft sales. I treasure the 2 beautiful capes she gifted me. Lovely lady. Beautiful, gentle soul.

We will miss Margaret's smiling, cheerful greeting as she walked her little dog along our street. She had a way of making this neighborhood feel warm and comfortable. Einar, you are in our thoughts and we wish you much love and grace in your grief.

I was a patient at the Cleft Palate Clinic at Alberta Children's Hospital decades ago and Marg was one of my nurses. Seeing her gentle smile in this picture brings back the warm comfort I felt in her care as I knew I could completely trust her. I pray God comforts all of you who are grieving her loss.

I worked with Marg at ACH. She really struggled the past few years with cancer but did it with such grace and dignity. Always calm and always interested in everyone else. She will be missed by her many friends. RIP Marg.
