Expressing our sincere sympathy at the loss of one so dear. I know Dot lived for the love of her family as she always spoke of you all when we chatted, which was not often enough lately. I remember her love of baking and especially her delicious butter tarts.

Time moves on but the old days on Bow Crescent are still happy memories.

Thinking of you all,

SINCERELY, MARGARET

Although I had not seen your mother for many years I still remember with fondness our talks and many cups of coffee (along with her delicious baking) shared when I lived next door on Bow Crescent. Offering sincere condolences on your loss.
