Our condolences to your family. Marilyn's cheerful, friendly personality made a positive difference in our lives. Although we are unable to attend, we will be thinking of you on Friday.

My condolences on the loss of your mother. She was a lovely lady and was a very good friend to my mother (Ada O'Neill) when they met at Luxstone Manor. She would visit my mom on a regular basis and they always enjoyed stories and laughter. I will certainly miss visiting her when I'm visiting at Luxstone.

We fell in love with Earl and Marilyn when they and we were newly weds. We visited them in their Springbank and Ponoka homes and while not in regular contact as our lives and families evolved we still had a very warm spot in our hearts for these beautiful people!

Our sincere condolences to each and every one in their family. They are now at peace and we can cherish our precious memories of them.
