Shannon was a wonderful soul who was introduced to me by my sister Cathy. Over the last number of years, I've gotten to know her so well and I felt very close to her.... In no time. She just had that loving and warm persona that made you so welcome in her sphere. She shared her love of her family and her work with me.... But also her love of my sister and her family.... She was an unselfish soul who continually gave of herself to so many.... Shannon, I'm missing you so much already. Love you my heart sister. RIP. Xoxo
