Messages of Condolence

Dear Michael and Family

I am so sorry to hear of Stan's passing. He was a good friend to Tim for many years and our family enjoyed his company many times over those years.

I am sure Tim and Stan are enjoying a beer now and remembering their tow truck the "Happy Hooker" and all the cars that passed thru our yards. Will always remember the road trips and camp fires. Our condolences to Stan's family and friends. With loving memories Cindy, Erin and Jennifer Davidson.
