

# Beverly Smithson

JANUARY 13, 2024

In Loving memory of Beverly Smithson

Born. October 30, 1942

Passed. January 13, 2024

Beverly passed away peacefully on Saturday January 13 at Burnaby General Hospital after a difficult battle with bladder cancer. She is lovingly remembered by her husband Larry, Daughter Brandi, Daughter Leanne (Darcy), son Robert (Tina), Grandchildren Branden, Erika, Kylie, Jessica, and Jacob.

Beverly was born in Vancouver where she lived most of her life until moving to Burnaby in 1984. Her greatest accomplishment in life was her children and grandchildren. She would relish spending as much time with the grandchildren as she could. Taking them on trips downtown, taking them on the Skytrain and on the sea bus. Visiting the north shore and any number of places she could take them.

She never learned how to drive so had to bus or train anywhere she needed to go. That in itself was an adventure for her and her children and later her grandchildren to remember.

As many Know. This was not her first battle with cancer. She had fought and beaten it back a number of times before.

Her battle is now ended.

In lieu of flowers. Please kindly donate to the Canadian Cancer Society.
