Lory 'Al' Allan Snider

AUGUST 16, 2022

Snider, Al

Sept 25, 1954- Aug 16, 2022

Shortly after a visit from his family, Al passed peacefully, with his long time friend, Robin, at his side. Al worked hard and played hard. He was a music lover, history buff and a huge Patriots fan! Al was a father to Britany (Mike) and Alexandra (Jade) and 'Pappy' to grandson Presley. We are honouring Al’s request for no service. To remember him, he suggested you could donate to the Richmond Hospital Foundation or a charity of your choice.

Messages of Condolence

We enjoyed Al’s amazing memory with music and history with planes. We will miss his awesome Chili. He will be missed by family and friends.
