# Suzanne Sorel

AUGUST 17, 2022

September 1947-August 2022
With great sadness we announce the passing of Suzanne Sorel aged 74, who died suddenly in her home, August 17.

She is survived by her two daughter’s and son, who made up the entirety of her world.  Tara Fynn, Camille Sorel, and Gregory Marty, grandchildren Zeida Grace, Bodhi and Maeve Richards-Fynn.

Suzanne was an amazing artist who loved to paint, draw, create and was an amazing cook. Suzanne was a special individual she was caring and compassionate and will be missed dearly.

Times were often tough but, in the end, she loved her children and her grandchildren.

Besides her children, Suzanne is survived by her sisters in France; Mireille and Isabelle, 4 nephews, 1 niece, her cousins Yves and Aline, and friends.

Suzanne was cremated and requested no service.

## Messages of Condolence

I have so many fond memories of Suzanne , she was witty, intelligent, with a massive sense of humour. Absolute world class cook, and yes a very sensitive artist. We had so many good laughs. I am glad to have had the luck to have Suzanne in my life and she will never be forgotten . Repose en paix Suzanne ton ami Pierre
