Messages of Condolence

My thoughts and prayers to the family at this time,
May she rest in peace now and always.

— **Tasha Turner (Cartier)**

Dr. Dale, Dean, Brad, Karen, Jackie and families ; Words cannot express the sorrow I felt when I got the call tonight of Gail's passing. Gail was always a ray of sunshine, always had a smile on her face. I will never forget the good times and laughter we had at the trailer in Sundre every weekend with you and your family. Al and I could not wait to get there and spend happy times with you. Please take comfort in knowing that she has a good friend with her and he welcomed her with open arms. Al will take good care of her till we all meet again.

Love
