Stephanie Rose Danilkiewicz

OCTOBER 31, 2026

It is with great sadness that we announce the sudden passing of Stephanie Rose Danilkiewicz,

She was a vibrant woman, with a great sense of humour who loved her family deeply.

Stephanie was born in Maple Ridge and spent her youngest years on Gee street and then moved to the 248th street acreage at the age of 8. She travelled extensively and loved her time spent at the family cabin in Bridge Lake. She was a fitness enthusiast, a great cook and lover of any living being including spiders and snakes. She fed and talked to the crows daily.

She loved music, dancing, hiking, camping and the Young and the Restless. She was predeceased by her Brother Geoff, her Mother Rose, her Uncle John (Aunt Shirley), her beloved Gramma Betty, her Grandmother Frieda and both Grandfathers Alek and Ted. She leaves behind her Father Dave (Vikki), Brother Chris (Blanca), Sister Katy (Johnny), Uncle Bob (Alison), Aunt Pamela, Uncle Gary (Sunan), Aunt Cindy, Aunt Jenifer (Mike), Sister in Law Michelle (John), numerous cousins, nieces and nephews and her four legged loves Gunner and Bandit

Cremation has taken place and a celebration of life will occur at a future date.

In lieu of flowers the family would welcome donations to the Canadian Wildlife Federation

Oh Stephanie. My Stephalufagus! My PPL. My oldest friend. My childhood memories. How I'll miss you. Listening to your dad's records and dancing around your living room pretending to be hippies. Listening to Bob Dylan and the Beatles. All of our adventures. Good and bad. I'm so glad we connected again and you got to know that my love for you never died. We are left here with the pain of your loss but I hope you are in peace in heaven with your beautiful mom and your brother. Look down upon us and send us your love for it is a little more dark without your light. I love you Stephanie. My dearest, oldest friend. I will miss you. □□

Oh Stephanie, I was so sad and shocked to hear of your passing. We hadn’t spoken or seen each other in years but you came to mind often and when I thought of you I’d reach out to your cousin Ryan. I still have a core memory you taught me for lifting weights and I’ve used it throughout my life when doing bicep curls. You were far too young to leave, I hope you are flying high and see how loved you were. I wish we had connected.Karin □ □□
